

# Chapman Elementary School

March 14, 2011

Dear Parent:

In keeping with tradition, student safety is the number one focus. **I have received numerous complaints about parents parking and leaving their vehicles in the student drop off zone.** Please follow the parking lot guidelines.

The parking lot has ample parking spaces in an effort to decrease traffic congestion. Thank you for **not parking** in front of the school in the **student drop off, or student pick up, lane.** **Students must be dropped off nearest the curb** in front of the school, for their safety. A **single lane** of cars for student drop off, or pick up, will ensure student safety. **Please do not park your car in the drop off/pick up lane, or in the handicap zone unless you have a Handicap Sticker visible.** Parked cars along the sidewalk prevent the flow of cars from dropping off, or picking up, students safely.

A second lane of traffic, to drop off students, is extremely dangerous when students cross in front of cars that are closest to the curb. Please drop off students on the passenger side closest to the curb!

Sincerely,

Susan Stockton Andrade  
Principal
